Resident Council

June 13th and 27th 2pm MDR

At Resident Council many of you asked to have healthy items available in the 300 hall vending machines. Good News! The company that services them is responsible for changes. The solution is to call the number on the machines A&A Vending 330-773-9995 or 800-640-8543 and ask for changes. You can be specific. They'll try to make the change if that item is available.

We've been enjoying more activities available since restrictions are being lifted. Check daily for changes to the calendar. Enjoy the patio and the sunshine.

Happy Summer

God Bless

Bev Chalabian
