Resident Council September 14th and 28th

I've been really enjoying this long hot summer and although Fall is one of my favorite times of the year I do not look forward to the cooler days coming. But there are many things to look forward to. Your suggestions to the Activities Department are starting to show up in the calendar. Please keep offering your suggestions and ideas to keep things new, fresh and fun!

We've been in a long slow fight in combating the covid pandemic. Thank you all for following the guidelines. Cover your mouth and your nose to stay safe.

REMINDER If you are not comfortable discussing anything at the Resident Council meetings I will be glad to either talk to you personally or direct you to the proper person. You may also place any concern in the Yellow Box (located on the table in the lobby). It is locked and secure. I look into it at least a minimum of 4 to 5 times each week.

Enjoy the rest of Summer

God Bless Us All!
